ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This Order resolves the letter motions at Dkt. 1115/1116 and Dkt. 1126.

1. Defendants filed a letter referring to an upcoming motion to modify the class period. (Dkt. 1126.) The Court has sufficient information on which to rule on this issue at this time. Judge Torres certified a class “through the resolution of this action.” *Chen-Oster v. Goldman, Sachs & Co.*, 325 F.R.D. 55, 63 (S.D.N.Y. 2018). That directive is clear and unequivocal. Accordingly, the motion to modify the class period is denied without prejudice to renewal as part of Defendants’ future motion to decertify the class. The present ruling, however, shall not be a basis to extend discovery, which has closed.

2. Plaintiffs’ request for production of the limited set of documents in Dkt. 1115/1116 is granted. Defendants shall produce the gender-related information from the 2019 and 2020 diversity presentations to Goldman’s Board of Directors, the associated data packets, and the minutes of those meetings. To be clear, these materials may not be used as a gateway to additional discovery.

SO ORDERED.
